

What is One Night Only? It's WMA's annual member party, and never the same event twice! This year, it's an outdoor, sunset picnic with art, music, food and drink, and vintage yard games in the museum's garden, and open galleries inside the museum.

I'm not a member yet. Can I still buy a ticket? One Night Only is a members only party, and it's a great time to join at half-price, during our current member drive, now through May 6th. Join online at wiregrassmuseum.org, or in person at the museum.

Is there a dress code or recommendation? No, but we encourage you to dress comfortably for an outdoor/indoor event. We're happy to see our members in person, and love when creativity spills over into apparel. Come as you are, or as you wish to be!

Are masks required? The sunset picnic is well-spaced, and we encourage members to use their discretion outdoors. We do ask that you wear a mask when visiting exhibitions inside the museum.

What is in the personal picnic basket? One Night Only's personal picnic baskets will give each attendee an al fresco dinner to enjoy in the museum's garden, including fresh fruit, assorted charcuterie, Mediterranean-inspired pasta salad with roasted tomatoes, garlic, mozzarella, and mafalda pasta, and sweet pastry; vegetarian options can be selected during registration. Tickets provide one drink at the bar, alongside free water and a cash bar.

What activities are included? Members are invited to enjoy their sunset picnic while listening to live jazz music in the museum's garden at table or lawn picnic settings. We'll have vintage yard games and plein air painting stations in the garden, along with a bar, and new exhibitions are open in the galleries.
