

# CHOPPED ART CHALLENGE

WHAT WILL YOU CREATE?

## SUPPLIES

### EACH KIT CONTAINS:

Glue stick, pencil, colored pencils, construction paper, Popsicle sticks, modeling clay, sequins, tissue paper, printed paper, cardboard tube, and a straw!

## CHALLENGE RULES

### ALMOST ANYTHING GOES

There's really only one rule: you can make ANYTHING you can dream of BUT you must use EVERYTHING in your kit.

You can also add supplies.

## HOWEVER...

YOU DON'T HAVE TO USE THE WHOLE ITEM

For example, if given a cardboard tube, you do not have to use it as it is. You can take it apart or even cut off a portion, as long as you use a piece of it. If you have more than one of a supply, you only have to use one of that object.

## CHECK OUT WHAT OUR STAFF CREATED!

Miss Robin (above) and Miss Brook (left) had so much fun creating with the supplies in their kits! What will YOU create???

Make sure to tag WMA if you post your art! We LOVE to see what you create!

Happy creating, friends!
