

MY VISIT TO THE WIREGRASS MUSEUM OF ART

I am going to the Wiregrass Museum of Art!

There will be staff to help me check in.

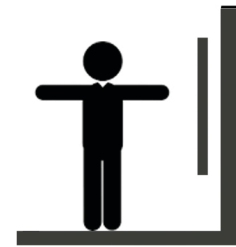

There are sensory kits I can borrow.

I will look at art objects in the galleries.

I will look at art, but not touch the art, unless museum staff tell me I can.

I will keep a safe distance from the art.

I will not eat or drink in the galleries.

I will walk, not run, through the galleries.

I can relax and have quiet time in the quiet room of the classroom.
